Please do not do this to people like me who cannot afford a 9.57 mth increased, added to the "2.00 increase for 9" service in Hopkins Co. (It was .32¢ a mth). This is a "13.00 mth increase on \$1008.00 a mth income. Let the millionaires + people who can afford to own shares of K.U. take a "hit" every few years instead of people like me. They can afford a smaller boat or maybe they will have to put off purchasing gold faucets until next mth. Jonell Crawford
